OVER A CENTURY OF EPISCOPAL VILLAGE MINISTRY 1885 & 1888

Dear friends,

Blessings to you and your family during these wonderful months of summer! I pray this season gives you the chance to unwind and spend time with those dear to you.

Enclosed you will find information regarding our roofing project at Grace Church. We are grateful to so many of our dedicated members for the time and energy they have devoted to bring us to this point. Many hours have been spent meeting with architects, filling out grant applications and engaging in faithful discussion.

Your Vestry has been fully committed to this project, diligently asking questions and ensuring that we have made wise choices for the health and well-being of Grace. Heartfelt thanks goes to each member:

Elizabeth Marlowe, Senior Warden

Tom Rotolo, Junior Warden

John Carney

Nancy Jo Conrad

John Corbelli

Sandra Erickson

Marissa Labey-Stone

Terry Nersinger

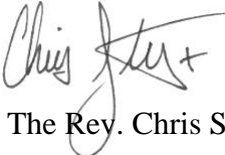

Kevin Woodruff

Mary Lou Brunner, Vestry Clerk

Parishioner **Richard LeRoy** has provided guidance and an historical perspective, along with assisting in the layout of our Roofing Brochure.

Finally, we would, quite simply, not be at this critical stage without the leadership of our Building and Grounds Chairman, **Dr. Pete Haake**. Pete has been active in every part of this endeavor. He has attended countless meetings and completed a myriad of complicated forms. His energetic spirit and passion for this project has been a gift of the highest order. Thank you, Pete, for your faithful service to this parish.

Peace to you,

The Rev. Chris Streeter, Rector
